Riding Club Membership Scholarship

Lucky Shoe Riding Club was created to give students the opportunity to learn how to ride horses, care for, groom, lead, and compete in gymkhanas and 4-H without the costly expense of owning one. Becoming a member of Lucky Shoe Riding Club opens the door to making life long friendships, fine tuning your horsemanship skills, going on trail rides, competing in barrel races, gymkhanas, riding in the parade, and competing in 4-H.

This scholarship will be awarded to four students ages 8 years old – 18 years old. It will be for half of the tuition amount for the season of your choice. It is important that the recipient awarded has a passion for horses, learning, a strong work ethic, determination, and a respectful attitude. The recipient must also have a need for a scholarship.

Requirements if awarded:

*To earn your scholarship you are required to help around the barn 2-4 hours a week. You will be asked to feed horses, pick up poop, clean tack room, and other various chores.

*You must have a strong work ethic, and can be trusted to get things done.

*Respect the property and horses at all times.

*There will be no disrespectful behavior (eye rolling).

* If any of these requirements are broken the scholarship can be taken away and given to someone else.

Deadline to Apply is March 1st.
